WELCOME TO THE CENTARA WORLD MASTERS GOLF CHAMPIONSHIP

Sawadee Khru! We're delighted to welcome you and golfers from around the globe to the Kingdom of Thailand and the royal city of Hua Hin for the eighth running of the Centara World Masters Golf Championship.

Whether you're joining this event for the first time or are a regular attendee, you can expect a fabulous week of golf, entertainment and fun. This week you'll be the star attraction and enjoy all the trappings and hospitality usually reserved for PGA professionals.

The Centara Masters reputation and international appeal continues to grow and this week you are joining golfers from more than 20 countries around the globe.

This year you will enjoy 2 rounds at both Banyan and Black Mountain championship courses. You'll find the facilities, clubhouse and service outstanding, while ever-smiling caddies pamper you and guide you around the course to help you play your best.

Fun and friendship are at the core of your Centara Masters experience. Laving welcome and gala presentation dinners bookend the celebrations. When the sun goes down we meet back at Centara for vibrant 19th hole with food, beverages, entertainment and prize giving.

Hua Hin is one of Thailand's premier beach resort destinations. Away from the courses there's a great variety of restaurants, shopping, sightseeing and entertainment and we've hand-picked a selection of these for the non-golfing partners.

Spoil yourself with soothing massages and put the Hua Hin night market on your schedule. Here you select your ingredients and have the restaurants cook you a feast. We have an amazing hospitality team on hand to help you discover the best of Hua Hin.

Centara Hotels & Resorts have been at the forefront of the World Masters success in Hua Hin, and we'd like to extend our sincere thanks to Centara, along with the Tourism Authority of Thailand, Chang, Coke and other partners who contribute to the success and joy this event brings to so many.

Lastly, take the time to familiarise yourself with the event program, the Trip Plans APP and all of the events and services we provide. We don't want you to miss out on anything.

We trust the Centara World Masters will bring you great joy, new friendships and fabulous memories. Thanks for joining!

About Centara Grand Beach Resort & Villas Hua Hin

Originally known as the "Railway Hotel", the Centara Grand Beach Resort & Villas Hua Hin first opened in the early 1920s, just as the cozy fishing village of Hua Hin was being discovered by the world via the opening of a new railway line to Malaysia. What was to become over time, Thailand's most refined beach resort was fortuitously graced by the newly built Railway Hotel, which was designed to classic colonial lines. Now sympathetically restored and expanded to include all of the recreational and guest facilities that travelers expect from a beach resort, the Centara Grand Beach Resort & Villas remains one of the 'grand old hotels' of the East, and accordingly, is a member of the prestigious Leading Hotels of the World marque.

About Centara Hotels & Resorts

Centara Hotels & Resorts is Thailand's leading hotel group, with 54 deluxe and first-class properties across Thailand, as well as 39 hotels and resorts in the Maldives, Sri Lanka, Japan, Vietnam, Laos, China, Oman, Qatar, and the UAE. Centara also operates 23 branches of Spa Cenvaree, an award-winning spa brand, together with 7 branches of the value brand 'Cense by Spa Cenvaree' and one Reserve Spa Cenvaree. The company's Kids' Clubs are available at all their family-friendly resorts. Centara also operates three state-of-the-art convention centers in Bangkok, as well as two in north-eastern Thailand. PACE OF PLAY

At Go Golfing events, where many players are unfamiliar with the courses, 4.5 hours is a reasonable pace of play. Maintaining a reasonable pace of play is an important element in having a good experience on course. It's often a combination of little things not done that wind up contributing to slow play and on-course traffic jams.

Here are some tips for making sure your pace of play is as brisk as it should be. Remember, pace of play isn't about rushing your shots, it's about being ready to play your stroke when it's your turn, and behaving efficiently on the course.

1. While walking to your ball, use the travel time to begin thinking over your next shot - the yardage, which club you'll use, and so on. Begin preparing before you get to your ball.
2. If you are sharing a cart, drop the first player off at their ball, drive on ahead to the second ball. The first player should walk over to the cart as the second player is playing his shot.
3. Carry a few extra tees, ball markers and a spare ball in your pockets so you don't have to return to your golf bag if you are in need of one.
4. When you think your ball may be lost or out of bounds, hit a provisional ball straight away.
5. It's nice to watch a good shot, it is more important to watch a bad one to see where the ball finishes. Get a line or a physical marker to help the search for your ball. Please don't spend more than 2 minutes searching for a ball.
6. On the green, begin lining up your putt and reading the break as soon as you reach the green. So when it is your turn you are ready to make the stroke.
7. When it's your turn to putt, be prepared to step right up and take the stroke.
8. Leave your bags or golf carts to the side of the green, and in the direction of the next tee, never in front of the green.
9. After holing out on the green, write down your scores. If you have the honor, go to the next hole, tee off and then attend to your scorecard.
10. If you notice you have fallen behind the group in front, play 'ready golf' until you have caught up.
11. In stableford competitions, if you cannot score, please pick-up.
12. If a player in your group is 'slow', offer encouragement and help, not abuse.
13. If it takes you longer than 15 seconds to calculate distances with your range-finder, then you shouldn't be using it.

ETIQUETTE

Please turn your phone off or to silent. Phones should only be used for emergencies and should never delay play. Please treat all players, staff and officials with respect.

RULES OF GOLF

This is a tournament and as such the rules of golf must be applied. Please check with your 'marker' to determine the correct location on where to drop for balls hit into hazards. If you think your ball might be lost, please play a 'provisional' ball.

You are responsible for keeping score for the player whose scorecard you are marking and ensuring rules are applied correctly. If unsure of a ruling, play 2 balls and seek rule clarification prior to submitting your scorecard. Any dispute in relation to scores or rules must be settled prior to signing scorecards.

STABLEFORD SCORING EXPLAINED

The number of stableford points awarded on each hole is determined based on your 'adjusted score' on each hole in relation to par. Under stableford scoring, your actual score on each hole is adjusted based on your handicap. The stroke index (SI) is used to determine on what holes you apply your handicap.

Examples: a 12 handicap golfer would deduct one shot from their fixed score on stroke index holes rated 1 to 12 only. A 24 handicap player would deduct two shots from their fixed score on holes indexed 1 through 6 and deduct one shot on holes indexed 7 to 18.

The 'adjusted' score is then compared to the stableford scoring table as follows:

- Double bogey or worse = 0 stableford points
- Bogey (1 over par) = 1 stableford point
- Par = 2 stableford points
- Birdie (1 under par) = 3 stableford points
- Eagle (2 under par) = 4 stableford points
- Albatross (3 under par) = 5 stableford points

On the scorecard, the marker is responsible for writing down the actual 'stroke' score and the stableford points on each hole (based on the adjusted stroke score). You must also record your own stroke and stableford score (under marker) for score checking at the end of your round.

Stableford speeds up pace of play, as once it is no longer possible to score a point, a player can simply pick up his/her ball and proceed to the next hole. A total of 36 points (for 18 holes) is playing to your handicap. The higher the stableford total, the better you have played. See tournament staff if you need assistance with stableford scoring an example of stableford scoring is also behind the player information sheet (attached to cart steering wheel each round).
